

# ADSS ARCHAEOPRESS DIGITAL SUBSCRIPTION SERVICE

A digital subscription for library and institutional customers is now available, providing access to all new **Archaeopress Archaeology (AA)** publications, the existing backlist and an extensive range of selected digital-only **British Archaeological Reports (BAR)** titles.

A subscription starting in January 2015 will give immediate access to approximately 400 titles with an average 12 titles being added each month. These will include approximately 6 new **AA** titles and 6 digital-only **BARs**.

Your ADSS service package will include:

- 12-month access
- A dedicated Archaeopress contact
- A monthly summary of the new e-titles (supplied in your preferred format) added to our archive
- A monthly record of activity
- 20% discount on most **AA** printed versions
