Ash-sharq is a double-blind peer-reviewed Bulletin devoted to articles on the archaeology, epigraphy and history of Ancient Western Asia. It was Laura Battini's original idea, but was largely supported by Pierre Villard, to whose memory it is now dedicated. It is published twice a year. Submissions are welcome from academics and researchers at all levels. Submissions should be sent to Laura Battini

(laura.battini@college-de-france.fr)
